**Meet at Caswell Park

This year's route will take us through Parkridge to Chilhowee Park, where the Knoxville Zoo will greet us with the Zoomobile. Families with small children and anyone interested in a shorter ride can stay for activities, and then head back to Caswell Park. The 11-mile ride continues through Burlington, including a ride around Speedway Circle, and Holston Hills. We'll stop by the Knoxville Botanical Gardens and Arboretum. Back at Caswell Park we'll enjoy pizza!

The Knoxville Zoo is offering \$2 off admission to participants on Saturday. (Bike parking available.)
